some souvenir. ”

--Vincent van Gough

**A MESSAGE FROM THE PRESIDENT**

**A Cautionary Tale**

**Recently one of our sister art leagues closed its doors for the last time. I hope at this point you are wondering why. The problem was that the few did all the work and the rest of the membership reaped the harvest of their hard work.**

**We have a robust membership roster, but very few are stepping up to help in even a small way. Please consider giving even a little of your time for the sake of ALFB. This is an exciting time for our organization as we continue to grow. You are always welcome to reach out to me or any board member to volunteer or contact Mary Lynch and she can plug you into a committee to serve.**

**Three opportunities include helping by coming out for the book signing and cookie walk on November 25, the Hometown Holidays on December 2 from 12 to 8, or the three Thursday nights we are open in December until 8. Even if you can only come for an hour, every bit of time helps. Hope to see you there.**

**Until next time.**

**Linda**

## LET'S GET SOCIAL!

Fort Bend Art Center is a magical place. It combines many aspects of art under one roof. Marketing isn't magical though. It takes alchemy to work. And part of that alchemy is you!

As members of the Art League of Fort Bend, its success is paramount on the membership supporting the FBAC and its artists. Dream of selling your art? Desire a bit of celebrity? Want to see others thrive? Each month we'll be giving you insights and training on how social media works and how to be part of the success of all our artists and members. Let's get this started.

### DID YOU KNOW...

- ALFB has a website that has a wealth of information about our membership as well as FBAC? You can sign up and there you can pay for workshops, studio rental, and annual membership...all online! Just click here: <https://artleaguefortbend.org/>
- FBAC also has a **Facebook** and **Instagram** page. Do you have an **artist** or **personal** IG account? Well, how about liking these pages and sharing! Every day we need a like and if possible, a comment. If you love the post then repost and share. Every like boosts the opportunities of the algorithms to make our pages and art more visible to more people outside of our community and into the hearts of potential art lovers and sales. So much technology to our benefit and the simple part is, you just like and share. Check it out by clicking the links below!

<https://www.facebook.com/fortbendartcenter>

<https://www.instagram.com/ftbendartcenter/>

Or scan w/ your camera:  
(and follow the link)

### One more thing to please keep in mind...

The Marketing Committee routinely posts on the ALFB and FBAC Facebook and Instagram pages. Members **should please not** post on ALFB or FBAC Facebook pages to make sales as this is our advertising site and not for people to post individually to sell their art. Members may post to their own social media pages and link to the ALFB member's page regarding the creation of their artwork at any time. Advertising posts will be removed. Thank you all for your courtesy and cooperation.

From the ALFB Facebook Team
