

How to Dragonfly Your Art! Art Demo and Workshop Presented by Diane Whitmarsh

March 27, 2023 - Following General Meeting

Would you like to add an iridescent, light reflective, color shifting pigment to your art? Diane will demonstrate the technique of applying Folk Art Dragonfly glaze on glass surfaces to add a shimmering pop of color to glass art. The glaze can also be used on other surfaces. Examples will be shown of various applications of Dragonfly glaze.

Workshop to follow the demo

Workshop cost - \$25.00

This cost includes Dragonfly Glaze, acrylic paints for use with glass, and a glass surface to paint.
